BITTERS HISTORY

After decades away, two brothers and a best bud returned home to Saranac Lake, and Bitters was born! Since opening in 2015, we've seen many changes, but one thing will always remain consistent: Our devotion to the Home-Town and community that shaped us. Welcome to Saranac Lake -- We're glad you found us!

BITTERS FAMILY

For more than ten years, Bitters has built itself on a foundation of hard work, good times, and great people. None of this would be possible without our incredible staff and our diehard locals. Big love to Chef Gabriel Jones and all the boys in the Back of the House. And...where would we be without Brandi "Brando" Huff and our Front of the House family.
